To Whom It May Concern: I Used to listen to AM/FM channels on the radio, but I listen to the radio to get information and music, not commercials and advertisement. So I started PAYING for my XM radio signal to avoid the interrupting advertisements. Now I am paying for Music and INFORMATION. It is my money to spend on a a radio broadcast that is better than any AM/FM channel. Please dont support NAB's Petition (04-160). I hope you do what is right for the people who listen to XM. Thank you for your time.
